

School Seeking Public Comment on ARP Special Education & Early Childhood Special Education Plan

The school is seeking public comment on the ARP IDEA Special Education & Early Childhood Special Education Plan detailed below.

ARP Special Education Part B IDEA & Early Childhood Special Education Plan

The school will use \$1,156.68 to provide additional intervention specialist services to eligible students and to students selected to participate in Coordinated Early Intervening Services. \$4,000 will be provided for Support Services (Speech, Psychology) for eligible children. \$2,000 for Professional Development for teachers and staff. Remaining \$1,200 funds will be used to purchase supplemental reading materials, manipulatives and other supplemental materials as needed.

Early Childhood Special Education

The school will use the ECSE funds for purchasing supplemental classroom supplies, such as, manipulatives, supplemental reading, and learning center activities.

If you would like to comment regarding the planned use of these funds, please contact:
